CLUB NOTES

Once again we welcome a new Season with 92 Clubs all starting out with high hopes for the future. Some will be successful, some will be less so, but for a few weeks at least, all will think that this is to be their Season.

There have not been many changes at Deepdale during the Close Season — John O'Neill has left for Barrow and recently Peter Thompson to Liverpool. We wish them both well in their new spheres.

Our two Senior newcomers Alec Ashworth and Kit Napier made their debuts in 1st and 2nd Team respectively on Saturday last and we hope they will do well with North End.

Two new Juniors have recently joined the professional staff, both 17 years of age — Ron Selway, half back and Bert Patrick a full back, both from Scotland.

CLUB NOTES—continued

For our away match at Plymouth on the 18th September, we shall be taking to the Air once again, making the trip from Manchester to Plymouth and back again the same day. When weather conditions are suitable and particularly to difficult places like Plymouth there is a considerable saving in time, which is a great help when Clubs are involved in two matches per week.

If our form in the Practice Matches is any guide we seem to have a reasonably balanced side and if we can steer clear of injuries, in view of our small Senior Staff, we could do well this Season. A good start is the main thing and we feel sure that with this, our gates should show an improvement on last Season.

Since the last playing Season finished, the judgment relating to the Retain and Transfer System has been given in the High Court. This should not for the moment have any appreciable effect on Clubs' affairs. Until such time as the position on this

important matter is made clear, Clubs will carry on as in the past. One thing is certain and that is that if the smaller Clubs are not to be in a position to receive transfer fees it is going to have a disastrous effect on all Provincial Clubs.

One of the most attractive things about League Football is its uncertainty. Not a single Club can say how their affairs are going to develop during the next eight months, despite colossal expenditure on transfer fees by certain of them.

In common with other Clubs, we hope that we are going to do well, and that our Supporters are going to see some good football and favourable results at Deepdale during the coming Season.

For our first Home game of the Season we welcome Charlton Athletic to Deepdale. Like ourselves they have had mixed fortunes over the past few seasons, struggling with poor gates and inconsistent results, but like all other Clubs in Division 2, hoping for a change of fortune. They were last here in March, 1963, when North End won quite well.
